THE COMMODORE'S HOIST

Perhaps the title today is a misnomer, as this will be the last article before I strike my pennant. It has been an interesting and rewarding two years during which our club has expanded into new spheres. We have now become part of Canada's general sailing scene. Our sailors are taking part in various national regattas. Our children are participating in national sailing development schemes and various members are participating with other Canadian sailors in national and international programmes. We are now recognized as an entity in the Canadian sailing arena. A unique situation from which we have benefited is that of our relationship both with the Ontario Sailing Federation and that of Quebec. For the latter, there is still much work to do.

We continue to attract new members, the latest of whom are:

Bruce and Jock Lee - Intermediates

Mr. & Mrs. Terry & Nancy Ridell - Family N. George Davies - Family

The latter bought the Jeffery's Albacore. We have had to say goodbye, unfortunately, to several long-time members, as well, due to their changing circumstances.

I hope we will see as many of you as possible at the Annual Prize-Giving Dinner and Dance on October 19 and, as well, I am looking forward to a good turn-out at the Annual Meeting on November 21.

Our very best wishes are extended to our Club Manager, Graeme Parkinson, and his fiancée, Laura Galasso, who are shortly to tie the knot.

LASER FLEET? CALL FOR ACTION

On September 16, our Laser Fleet was recognized by the Laser Association and a handsome charter was received. All paid-up members of the Laser Association and GRYC are members of the fleet. The fleet executive will energetically promote Laser competition in the club and on up to national and world events.

But! We do not have an executive! Please submit your nomination for GRYC Laser Fleet Captain to one of the following:

Colin Ramplee-Smith

Geoff Erskine, senior Laser sailor

Connla Wood

Barry or Brian Jeffrey

Preferably, put it in writing and with the permission of the candidate.

Let's do it by November 21, the date of GRYC's Annual Meeting.

Barry Jeffrey

NOTE: GRYC's thanks to Tom Ryan for answering our appeal for a "sanitary wagon".
