

2011 GRYC Members' Volunteer Log

Excerpt from GRYC By-laws, Article 4.4: "All members **16 yrs and older** (except Charter or Honourary Members) are to provide 2 days of volunteer work for the club". The current policy is that **a half-day is approximately equal to 1 credit. 1 event is equal to 1 credit (on average). Adults are required to earn 4 credits each and children 16 yrs and older are required to earn 1 credit each.** See the *Guide* on the other side of this page for more details.

The minimum number of credits required by each member appears in parentheses beside each name below, however members are encouraged to do more. Members within a family may substitute credits for others within the same family.

Should any member of the family not be available for volunteering for the season due to illness, travel, school, etc., please indicate on this sheet and contact the Club Secretary at secretary@gryc.ca. Those who indicated unavailability during membership renewal should appear as (0) below.

Guide to GRYC Volunteer Credits

A minimum of 4 credits of volunteering every season are required by each adult member while children 16 and over are required to provide 1 credit each, though all are encouraged to do more. 1 credit is approximately 4 hours of work or one event (on average). Credits will be applied to each member of family, e.g. primary member & partner work a full club night = 1 credit each = 2 credits total. Children under 16 who participate as a volunteer may each substitute up to 2 credits for members over 16.

Some examples of credit values of volunteer activities:
